PARTY BOOKINGS AT SHUFFLE HOUSE

Party Area

For **Friday, Saturday or Sunday Day** party bookings between 17 and 50 people, we require a £150 card payment deposit to confirm a booking. This is fully refundable and can be returned at the end of the evening or used against any drinks or food ordered. This allows you exclusive use of the Fish Tank Area, half the covered and heated balcony and the opportunity to book the Shuffle Boards exclusively from 10pm onwards, please book this separately when booking this space.

Exclusive Upstairs

For parties of 50 and over we require a minimum spend on food of £1000 and a £500 deposit, this will guarantee you exclusive use of the whole upstairs including the Shuffle Boards (access and play time will be honoured if these are booked before a deposit is placed for exclusive upstairs bookings) and all the covered and heated balcony. The deposit is then fully refundable as long as numbers do not drop below 50 guests over the evening. Maximum capacity of upstairs and the balcony is 120 people.

Late cancellation, (two weeks before the booking date, will result in loss of the deposit). The buffet choices must be ordered with us no later than 7 days before your booking.

Your party can start anytime and will finish at 12am (the bar will be serving up until that time) Friday - Saturday (music will have to be turned off and exit by 12.30am) or 11pm (the bar will be serving up until that time) Tuesday - Thursday (music will have to be turned off and exit by 11.30am)

We **DO NOT** hire out the entire venue, the garden or cater for 18th or 21st birthday parties.

For a **Tuesday to Thursday** booking we do not require a minimum spend or deposit but we may place restrictions at our discretion depend on the booking.

FOOD AND DRINK

The buffet and drinks menu choices are attached. Please note that menus and prices change regularly, so please double check you have an up to date party brochure for the date of your party not when it was booked. Any parties with guest greater than 16 will have to pre order any food from the Party Brochure menu, this will need to be paid as one tab but drinks can be paid separately. Individuals will not be able to order any food or pay for food individually unless at the managements discretion depending on how busy the restaurant is (Friday – Sunday).

We do not allow any outside catering or alcohol except cakes and sweets (although this highly recommended to be shared with the bar staff!!)

Pre ordered drinks will be chilled ready for when your guests arrive. If you receive alcohol as a gift at your party, please refrain from consuming it on the premises.

MUSIC

The music played to all parties will be our choice as we are restaurant with party areas rather than a venue and will have no customer control. With exclusive use we can split the music from the downstairs restaurant and you can supply us with a playlist for this. We do not allow DJ's.

DECORATIONS

You're welcome to decorate up to an hour before your booking. **We ask that you refrain from using table confetti, confetti balloons and party poppers**

We do not keep balloons any longer than opening the next day, so please take them with you.

BEHAVIOUR

We are a two floored, family friendly restaurant and as such we expect your guests to behave around other customer who may be eating and to our awesome staff. If we feel that one of your guests is not behaving in an appropriate manner, we will not hesitate in asking someone to leave. Don't let one of your guests be 'that' person.
